Shieldmixers Armour - **Eastman® Tritan**

# JUDGE BOOK BY IT'S COVER.

Shieldmixer Hero Pro uses Eastman® Tritan glass like plastic which makes this shaker even more awesome. BPA-Free Tritan™ is engineered to be better. Tritan doesn't contain BPA, BPS or any other bisphenols.

Products made with Tritan plastic are clear, durable, safe and stylish. And we aren't the only ones making that claim — the superiority of Tritan has been clearly proven by third-party labs and quality is clearly loved by its customers.

**Better than glass.**

**Better than stainless.**

**Better than any other plastic.**

Introducing **Sidekick Strainer System**

# SMALL CHANGE MAKES BIG DIFFERENCE.

New, registered design Sidekick Strainer System gives you completely new mixing experience. Due to it's angled position, the larger straining area makes mixing more efficient and faster. Lid and strainer joint together with click system enables you hussle free operating without need for grabbing wet strainer and reduces chances of loosing it.

### Click System

Strainer and lid jointed together with click system.

### Larger Straining Area

Mix your drinks even faster and more efficient.

## Eastman® Tritan plastic

**HIGH DURABLE, GLASSLIKE PLASTIC. ODOR & STAIN RESISTANT.**

Trademarked Eastman Tritan plastic is extremely durable, made from glasslike polycarbonate material. It is scratch resistant, odor free and non-toxic (BPA free).

## Sidekick Strainer

**FASTER MIXING. NO MORE LOST STRAINERS.**

Revolutionary click strainer system enables you hassle free operating and shorter mixing time. Angled positioning and larger mixing area provides faster and more efficient mixing. Never loose your strainer again.

## Spout Shield

**KEEPS YOUR DRINKING SPOUT CLEAN.**

Leak-proof cap designed for easier and more hygienic usage.

## Heroic Lid Design

**MAKES YOU FEEL STRONGER.**

Guaranteed leak-proof lid made from high quality durable plastic.

## BPA Free

**HEALTH FIRST.**

Leaking of BPA substances from container into beverage can cause a potential health risk. This is why we made our shaker BPA free.

## Rounded base

**BETTER FLUID CIRCULATION. EASY CLEANING.**

Rounded bottom ensures better fluid circulation and prevents powder residue from settling making the bottle easier to clean.
